Those of us at CFMS are looking forward to seeing you at the 2021 CFMS Show & Convention, in Lodi. The fairgrounds has easy access from Highway 99, and is close to the downtown of Lodi. We can easily accommodate (50) RV’s and campers with access to water and electricity hook-ups. Dump station on site. There are no showers or bathrooms at the RV/Camper area. Bathrooms without showers are in the show buildings and available during the open hours of the show. Upon arrival you will be given a combination for the gate so you can come and go at your leisure after closing hours. Pets are welcome, must be on leash, and please clean up after them as they will not be providing coprolite material suitable for cutting and polishing.
